NOTES.—(1) At the Examinations in Botany and Zoology, Honour Matriculants and Scholarship candidates will have practical work in these subjects.

(2) The Presiding Officer, at the close of the Entrance to the Normal School and Commercial Specialist Examinations, will forward the answer papers at once to the Department.

(3) *The only centre for the Art Specialist Examination will be at the Education Department, Toronto.

(4) †The papers in Geography, Arithmetic and English Grammar under the head of Normal School Entrance are special papers for those Model School graduates of 1906 and 1907 who have not yet secured their non-professional standing for Third Class Certificates. (Circular of Jan. 27th, 1908.)
